QUALIFICATIONS -- College-bound high school seniors whose academic and athletic careers have been truly exemplary and whose personal standards (i.e., integrity, honesty, etc.) and accomplishments are a positive model for others.

Students must:

1. Possess no less than an **unweighted** cumulative (grades 9-12) grade point average of **3.50**;
2. Have demonstrated **superior athletic ability** in **at least two years of varsity play within California** (must be participating in athletics as a senior); and
3. Most of all, have portrayed themselves as athletes of character displaying trustworthiness, respect, responsibility, fairness, caring, community service and citizenship.

APPLICATION – This application will be considered for both the State and Section awards.

Each application **must** be accompanied by:

- ✓ Student Application Forms (3), **including signed verification of GPA by counselor or school site records clerk. Picture is optional.**
- ✓ Letters of recommendation from principal or counselor and athletic director, as well as sportsmanship statement signed by the coach.
- ✓ Most recent transcript of grades.
- ✓ Student essay (see below).

STUDENT ESSAY -- To give us an idea of how well the students express themselves, we are asking that they write an essay about how they display character in their athletic and academic efforts. An applicant may wish to include: trustworthiness, respect, responsibility, fairness, caring and citizenship. The essay should be written in the student's own words, with no outside help or influence. A maximum length of 500 words is recommended. The applicants might want to consider a few of the following concepts while formulating their thoughts:

- ◆ Examples of meaningful behavior in your high school experience;
- ◆ Lessons learned about the importance of character in **your** life;
- ◆ Opportunities coaches, cheerleaders, athletes and fans have to promote character in interscholastic athletics.

Remember, the aforementioned are just suggestions. Students are encouraged to express themselves on what they value most about their sportsmanship experience and how it will affect their lives.

DEADLINES -- Students should deliver the completed applications to their counselor or principal by January 25, 2008, for review. It is the school's responsibility to notify students as to whether their packets were forwarded to the CIF State Office for further consideration. **APPLICATIONS MUST BE POSTMARKED NO LATER THAN FRIDAY, FEBRUARY 29, 2008. Late or incomplete applications will not be considered.**

JUDGING -- Judging of applications will be conducted by committees selected by the CIF. Winners will be notified mid-May.
