*Looking for a place to workout after a long ride?*

We know what it's like to sit in a van for hours riding to the biggest meet of the year, but being locked out of the State Meet venue. Clovis High School would like to offer the use of our athletic facilities to athletes and coaches who are travelling to the State Meet. From 3:00 to 9:00 p.m. on Thursday June 4<sup>th</sup>, we will open up our nine lane all-weather track, and all of the field event areas for anyone that is interested in using them. We also have plenty of grass that can be used to workout on. If you are looking for a place to stretch out your legs, please feel free to come on by when you arrive in Clovis. Our facility is only 5 miles away from Veteran's Memorial stadium, and close to many of the Clovis Hotels. If you have any questions you can contact any of the Clovis High coaches listed below:
